

Spring Blossoms in the Cozy Nature

—STACCATO 2022SS Press Release

Jakarta, March 10th 2022

Breathe in the blossoms and greenery to get awaked with the spring in an ethereal city. STACCATO connects oneself and the universe. It is time to discover the inspirations of the new season by following the natural rhythm of breathing.

With magic words “Vive Le Printemps”, STACCATO has a star-stubbed line-up this season in Paris starring international supermodel Mica Arganaraz and the world’s top-notch photographer Karim Sadli, together with a strong array including Elodie David Touboul, the fashion director of French fashion magazine *Self Service*, Christelle Cocquet, the international make-up master known for her natural touch-up, as well as Damien Boissinot, the exclusive hairstylist for Chanel. They combine creative art and natural inspirations to present a fashion shoot bloomed with “spring blossoms”. Mica’s unique unisex appeal with her signature curly hairstyle makes her one of the most sought-after supermodels. With her multifaceted cool style as a supermodel through the camera and artistic talent in music creation, she brings out the best in STACCATO to interpret a perfect modern image of women. Let’s follow Mica’s footsteps to wander around the beautiful garden and feel the blossoms in Spring.

Shimmery Heaven

Gradient diamonds are striking while the diamond bows flutter at the toes to reveal a shimmery touch along every step. The transparent PVC intertwines with diamond straps as light and graceful spotlight to reveal heavenly beauty and add an innocent touch to spring.

Natural Rhythm

Natural linen shows a natural beauty, while the textured leather is refined and generous, with a metal buckle to awaken the modern spirit. Intertwined straps coordinate with the design to highlight a sophisticated and sexy silhouette.

Colorful Shimmer

The smart point-toe design combines with graphic heels to create modern and angular aesthetics. Sparkling diamond clasp gracefully adorns the straps for a feminine touch. Vivid colors including iris purple, lime green and Klein blue interpret the new visual beauty that touches your heart with fantasy.

Diamond Party

Shimmering paved-diamond straps intertwine on the upper for an eye-catching look, and transparent PVC offers a modern summery look with feminine allure. The distinctive diamond square heels interpret a stylish personality and charm that sway between every step.

Graphic Muse

The minimal design is cozy and generous, which is signed with the unique 3D padded cotton that refreshingly creates a tough yet simple outlook. Supple lamb leather in cream offers a vivid and eye-catching palette on the slim silhouette of feet. Graphic heel design adds dynamic energy to the design in the new season that is filled with feminine glamour.

Dark Melodic Pioneer

Cutting-edge 3D straps with layering aesthetics stimulate a sensual chic. The design delivers an irresistible cool style with the modern and comfortable treaded sole. Walk down the street with style and discreetly reveal your unique appeals.

Blossoms in Spring

Floral embroidery makes a new splash! A touch of spring arises spontaneously with the intricate and splendid embroidered fabric. Metallic horse-bit clasp brings an eye-catching embellishment, while sculptural leather in black forms a bold silhouette. Every step is a full interpretation of unique characters and freedom.

Summery Fun

Fresh and unique espadrilles reveal a natural charisma with delicate embroidered hot-stamped diamonds that represent the craftsmanship for a spectacular visual impact. Espadrilles with elevated sole deliver a retro and casual touch to complete the unique and playful mismatched design.

Knot Fantasy

The new playful braided strap with twisted knots outlines a perfect contour of the feet. A pop of red is cleverly adorned on one side for a striking impact. The cozy and airy horizontal strap sandals make every step comfortable in a carefree and summery way.

Sparkling Notes

Lightweight and comfy espadrilles feature a unique cut-out design for a noticeable touch to fill the air with a casual atmosphere and summery breeze. The double T diamond clasp reflects a sparkling luster to enrich the visual effect. The modern design adds a glittering touch that liberates the spontaneous attitude deep within and further elevate a fascinating appeal.

Holiday Cafe

The gentle shade of creamy coffee represents a retro vibe. The wide and cozy strap is adorned with a visually astonishing buckle to create an innovative contrast. Simple yet stylish, these horizontal strap sandals effortlessly liberate a carefree chic.

Twist Whispers

Chic pleat texture combines with a twisted design for an elegant and feminine look. The pure and romantic palette is completed with structured and sturdy heels that elevate a masculine/feminine touch to the max. The designs reveal a multi-facet charm while walking or standing.

Metallic Waltz

Summer arrives with a metallic touch! Bold and dazzling metallic chain strap whirls and dances on the upper to add vivid and dynamic vibes. The subtle luxury design features an implicit yet refined crocodilian embossed texture to reveal a wild charisma to bring a fresh new look!

Cream Dimension

The natural cowhide is rich in texture with the discreet crocodilian embossed motif. A light-hearted malletage pattern creates a beautiful 3D outlook, while the bright cream palette composes a splendid and lively atmosphere for a dynamic touch.

Malletage Charm

Classic malletage pattern is retro and sophisticated that shines with a brilliant style. The intertwining crisscross design symbolizes exceptional craftsmanship, while the delicate metallic clasp outlines a lively and dynamic vitality that make you love at first sight!

Romantic Prints

Floral embroidery is now infused in these modern handbags highlighting the inspiration on classic prints. The metallic chain reveals an ultimate retro vibe for a feminine yet tough charisma with style.

STACCATO plays with natural inspiration to open up a new modern style. Wandering around the garden with opulent blossoms in spring, let's feel the natural charm intertwined with modern allure and compose a new chapter in cool style for this spring.
